CLUB NOTES

On behalf of the Officers, Committee and playing members of the Club I welcome you all here to Penlee Park today for our best ever pre-season attraction against Burnley Football Club. We heartily congratulate them on winning the second division championship, thus reverting to their First Division status after an absence of only two seasons, and we are indeed most grateful to the Directors of Burnley, Chairman Bob Lord and Manager Jimmy Adamson who have all made this game possible.

Both clubs have over the last few seasons adopted similar policies in finding and developing young talent, this last season reaping success for both—our own side as Senior Cup Winners and our highest league position for many years—(third).

We have signed all of last season's players with the exception of Tony Kellow who joined Falmouth Town in the close season. As scorer of 42 league and cup goals last year this player will be missed. We wish him every success with his new club. Ian Hart is not available owing to his hotel commitments. Besides our own up and coming young players we have signed David Prowse from St. Just, Mark Jackett from Falmouth Docks and John Vickery from Mousehole. Godfrey Bray has re-joined us after two seasons with Porthleven.

Final arrangements have now been agreed for our F.A. Cup match against Truro City, this will be played at their ground on the 27th August, Bank Holiday Monday, kick off 6 p.m.

Our German tour to Cuxhaven is from the 1st to the 9th of September inclusive, our first home game on returning should involve us in the 1st round proper of the F.A. Cup on the 15th September.

We sincerely trust that you will enjoy the game today and the abilities of both sides. We are sure you join us in wishing them every success and best wishes for the 1973-74 season.

PAT MAY, Hon. Secretary.

Comes from Newton in Derbyshire. Very good cricketer. Age 26. Height 5' 8¼". Weight 10 stone 3 lb.

MARTIN DOBSON—Club Captain, he comes from Rishton near Blackburn, and is aged 24. After great success as a schoolboy centre forward, he joined Bolton Wanderers but was later given a free transfer and signed for the Clarets. Performs equally well as a back four defender or in midfield, but it was as centre half that he represented England at under 23 international level. An elegant, skilful player who is better than average in the air. Ever present last season. Enjoyed the summer in flannels with Read in the Ribblesdale League. Very useful cricketer. Height 5' 11½". Weight 11 stone 13 lb.

MICHAEL DOCHERTY—Born in Preston 21 years ago, son of famous father Tommy Docherty, at whose request he joined Burnley. Docherty senior was then Manager of Chelsea. Mick quickly made his mark at Turf Moor by captaining the Burnley team which won the F.A. Youth Cup in 1968. His position then was right half but last season he operated at right back for most of his 40 first team appearances. His tenth appearance of the 1972/73 season will be his centenary for the Clarets. Height 5' 7¼". Weight 10 stone 5 lb.

PAUL FLETCHER—transferred from Bolton Wanderers for a big fee in March 1971 and quickly made a good impression with the Turf Moor fans. Big hearted striker and very hard worker. Very dangerous in the air. An ever present in his first full season with the Clarets, scoring 10 league goals. Age 21. Height 5' 9½" Weight 11 stone 11 lb.

BILLY INGHAM—Born Stakeford, Choppington, Northumberland. Even though only small performed admirably as a schoolboy at County level. Joined Burnley from school, signing professional on 1st November, 1969. Made good impression in Central League before settling down in a midfield role in the first team for the final games of last season. Red-headed, smallest player on the books, Billy is very popular with the fans. Age 19. Height 5' 6". Weight 9 stone 7 lb.

LEIGHTON JAMES—Native of Gorseinon, South Wales. Aged 19, in his first full season (36 appearances) was capped for Wales at under 23 and full international level. One of Claret's top stars in the All-Nations Youth Tournament at Washington, Sunderland, in May, 1972, a competition won by the Burnley youngsters. More than useful cricketer. Height 5' 9¼". Weight 10 stone 4 lb.

KEITH NEWTON—Joined Burnley on free transfer from Everton in June, 1972. Originally transferred in 1969 to Everton from Blackburn Rovers, with whom he had progressed through their F.A. Youth Cup winning team in 1959. Played for England in 24 full and 4 under 23's internationals. Was a member of the World Cup team in Mexico in 1970. Will certainly play an important role in the back four at Turf Moor. Age 31. Height 5' 11½". Weight 11 stone 6 lb.

GEOFF NULTY—From Prescott, Lancashire, he joined Burnley on a free transfer from Stoke City. Originally a left back he was converted into a striker but last season his eleven first team appearances were mostly at left back. He was also the Clarets leading Central League scorer with 10 goals. Very good in the air. Geoff is a versatile, enthusiastic team man who always works hard for his team. Age 23. Height 5' 9¼". Weight 10 stone 7½ lb.

JEFF PARTON—Born in Swansea on 24th February, 1953. Jeff has already played in goal for Wales Youth and Under 23 teams. Signed professional forms for Burnley on 27th February, 1970. Made his first team debut at Watford on 20th January, 1972. Height 5' 11½" Weight 13 stone.

ALAN STEVENSON—Signed from Chesterfield on 20th January, 1972 for a big fee. 17 appearances in goal last season, with his selection as reserve for the England Under 23's as a reward for some brilliant displays. A very safe handler of the ball who gives confidence to his team mates. Married during summer months; now residing in Burnley area. Represented Derbyshire at table tennis. Age 21. Height 5' 11½". Weight 12 stone 1 lb.

JIM THOMSON—Fair haired Scot who joined the Clarets for a large fee from Chelsea in September, 1968. Prior to being promoted to the first team last season, Jim did a good job with the youngsters in the Central League. His 14 first team appearances were in the back four being most prominent in the centre during the final successful run in. Good in the air. Age 25. Height 5' 11". Weight 11 stone 8 lb.

COLIN WALDRON—Oldham born, Colin began his career with Bury. After a spell with Chelsea he moved to Turf Moor in October, 1967. His tremendous displays at centre half last season made him Burnley's most prominent and popular player. Played in first 40 league games and all F.A. Cup and League Cup ties last season. In partnership with Colin Bell of Manchester City, a former Bury colleague, Colin runs a restaurant at Whitefield, near Manchester. Age 24. Height 6' 0". Weight 12 stone 9 lb.

ALAN WEST—A talented young player with great potential, Alan comes from Hyde, Cheshire. Made his First Division debut in 1969-70 and played in the First Team 28 times last season. 'Called up' by Sir Alf for under 23 games last season. Burnley are hoping for big things from this brilliant ball player in 1972-73. Age 20. Height 5' 10". Weight 11 stone 9 lbs.

PETER NOBLE—Signed from Swindon during the summer of 1973. He was born in Sunderland, and his first Football League Club was Newcastle United, for whom he appeared in the First Division. Peter was signed for Swindon by Danny Williams in January, 1968 and was a highly successful player for the Wiltshire club. He made over 200 first team appearances, scoring about 70 goals and linking effectively on the left with talented winger Don Rogers—prior to that player's transfer to Crystal Palace. Noble played a big part in Swindon's League Cup triumph of 1968/69 when they beat Burnley in the semi-final after three meetings and then defeated Arsenal 3 - 1 in the final at Wembley. Peter was Swindon's top scorer in 1971 - 72 when he scored 14 goals out of the club's Division Two total of 47. On the light side, but strong, skilful and expert in the air. A brave forward and as his record suggests, one with a hardy flair for goals. Age 28 years. Height 5' 8". Weight 10 stone 10 lb.

PAUL BRADSHAW—Born Sheffield on 2nd October, 1953. Played outside right for Sheffield, Yorkshire and England Schoolboys. Signed professional forms for Burnley 5th October, 1970. Over past two seasons has been a regular winger for England Youth, and played a very prominent part in the winning of the little World Cup in Spain during the Summer of 1972. A very probable first team candidate this season. Height 5' 7". Weight 10 stone 3 lbs.

HARRY WILSON—The third very good player to come from Hetton-le-Hole, Co. Durham, but Harry is the first defender, Harry Potts and Ralph Coates being his predecessors. Born on November 29th, 1953, he represented his county and country at school-boy level and has played for England in Youth Internationals. Made First Team debut at Chelsea on 26th April, 1971, facing brilliant ball player Charlie Cooke. Signed for Clarets on 2nd December, 1970. 10 first team appearances last season. Height 5' 11". Weight 10 stone 13 lb.

BILLY RODAWAY—A very promising Liverpool born defender. Made First Team debut at Turf Moor against Preston on 25th April, 1972. His schoolboy achievements read like a James Bond book—played for Liverpool, Lancashire and England schoolboys with all nine appearances for England in one season. He is also the proud possessor of an English Schools Shield Winners Medal. Signed professional on 27th October, 1971. Age 17. Height 5' 9". Weight 12 stone.
