— CLUB NOTES —

GOOD EVENING LADIES AND GENTLEMEN,

Tonight we welcome to Penlee Park, the players, officials and supporters from Plymouth Argyle and thank them sincerely for helping us to celebrate our centenary in style. Under the new management of Ken Brown, may I on behalf of the Magpies extend our best wishes to him for the future and wish Plymouth Argyle success in their quest for First Division soccer. As our nearest league side, with many local supporters, we are always hopeful this will be achieved at Home Park. Good Luck!

On the playing front for Penzance, you will see a few new faces that I have managed to lure into the Magpies nest. Steve Tabb has joined us from Truro City, Ashley Tallon has rejoined the club from neighbours Ludgvan, Tony Simms from Mousehole, Roger James from Helston and Robert Gilbert from Ludgvan, all these players are here to stake a claim for a first team shirt. I also introduce tonight three lads for their first taste of action against league opposition, they played well in the Combination League last season after progressing from youth team football, they are Paul Williams, Anthony Bennett and Paul Gillespie.

Finally, may I through these notes, extend a big thanks to the supporters who came and made the Liverpool match such a huge success.

Enjoy the game
JOHN WILLIAMS
Manager
